

Dutch Country House

Welcome...

Batch Country House is a family run business by James and Anna Brown, and has been family owned since 1870. Our aim is to make sure that all our couples receive the benefit of our years of experience, ensuring that we make your special day exactly what you dreamt it would be.

That personal touch

We appreciate how important a wedding is and aim to offer the best reception possible.

Batch is a beautiful home in the country that will be made yours for the day. It's a peaceful haven for your guests to celebrate alongside you.

Photograph opportunities are endless with water features and stunning gardens to explore.

We are licensed for both indoor and outdoor civil ceremonies.

Every detail covered

We are meticulous in making sure that every detail of your wedding runs smoothly and devote a large amount of our time to make sure it all goes to plan.

We concentrate our full attention to give the quality of food and service that every couple expects.

The Somerset Suite...

Our stunning Somerset Suite is licensed to provide a beautiful indoor ceremony setting for your wedding.

It can be dressed to suit your styles and tastes and has the added features of our "Minster" fireplace, attractive beamed ceiling and bespoke oak doors for the bride's grand entrance!

The Gardens...

The gardens here at Batch are a beautiful, picturesque spot to tie the knot!

We have held many outdoor civil ceremonies over the years and all have been perfectly planned to suit the happy couple's requirements. Our gazebo and the rolling Somerset hills including Brent Knoll set the scene for amazing photographs and memories to cherish long after the day.

The Ivory Suite...

The Ivory Suite Came as a development of the many marquee wedding receptions we have hosted over the last 30 plus years. It offers the elegance of a marquee with the convenience of being indoors- the suite is magnificent and creates the 'wow' factor for all those who enter.

Batch by night

Batch Country House takes on a whole new lease of life in the evenings creating a photographer's paradise.

Come rain or shine

There is ample room inside the house if the British weather does its worst.

We have enough space to conduct all of your photography indoors - there are many attractive fireplaces and features within the building to only enhance your professional pictures. A cosy lounge and large bar area becomes the hub of social activity where friends and family can relax and enjoy their experience here.

You're in good hands

All of this has earned us an enviable reputation over the years.

We have a team of longstanding staff, all of which are from the surrounding villages, with many local families having had several generations working here, helping us maintain our excellent levels of customer service. Our food is all sourced locally and is of the highest quality - we prepare our menu in-house to retain complete control and ensure that it is always of the highest standard.

Wake up refreshed...

All our rooms are styled to offer spacious and comfortable accommodation. Most of the rooms have over bath showers with the addition of two luxury four poster rooms boasting walk-in showers, jacuzzi baths with in-bath television screens and a cooler for your fizz!
