COUNTRY HOUSE

Welcome..

The day you will cherish forever
begins at Batch Country House.

Batch Country House is a family run business by James and Anna Brown.

It began life as a farm and has been in the family since 1870 with four generations having lived here. Batch is more than just a business to us- it is our family home.

Our aim is to make sure that all our couples receive the benefit of our years of experience, ensuring that we make their special day exactly what they dreamt it would be.

That personal touch..

We appreciate how important a wedding is and aim to offer the best reception possible.

Batch is a beautiful home in the country that will be made yours for the day. We only hold one wedding a day and therefore offer exclusive use to you and your wedding party. It's a peaceful haven for your guests to celebrate alongside you.

Photograph opportunities are endless with water features and stunning gardens to explore.

We are licensed for both indoor and outdoor civil ceremonies.

Every detail covered..

We are meticulous in making sure that every detail of the wedding runs smoothly and devote a large amount of our time to make sure it all goes to plan.

The mistake made by many venues is avoided by not scheduling several weddings for the same day-this means that we can concentrate our full efforts on one couple and give them the quality of food and service that every bride and groom expects.

Exclusive use is yours for the day, allowing the time for some beautiful evening moments.

“

Absolutely amazing!! We got married here in August and we cannot recommend it enough. The second we arrived to look round the venue, till our big day we were looked after so well. The staff were fantastic and really knew what they were doing throughout every stage of our day... Therefore our day ran smoothly and went to plan. Nothing was too much trouble. Our guests commented throughout the day on how good the food was and how beautiful the venue was. We had one of the best days of our life here! We want to do it all over again. Thank you very much.

Somerset Suite..

Our stunning Somerset Suite is licensed to provide a beautiful indoor ceremony setting.

It can be dressed to suite your styles and tastes and has the added features of our "Minster" fireplace, attractive beamed ceiling and bespoke oak doors for the bride's grand entrance!

The Gardens..

The gardens here at Batch are a beautiful, picturesque spot to tie the knot!

We have held many outdoor civil ceremonies over the years and all have been perfectly planned to suit the happy couple's requirements. Our Gazebo and the rolling Somerset hills including Brent Knoll set the scene for amazing photographs and memories to cherish long after the day.

The Ivory Suite..

The Ivory Suite Came as a development of the many marquee wedding receptions we have hosted over the last 30 plus years. It offers the elegance of a marquee with the convenience of being indoors- the suite is magnificent and creates the 'Wow' factor for all those who enter..

“ We had our wedding reception here on the 1st of October. It could not have been a better choice. The venue itself was stunning, the food had everyone raving about it and the hospitality of the staff was beyond anything you could think of. Nothing was too much or too small it's their attention to detail that makes it shine and you can feel that they take great pride in their work. It has an amazing home like feel which puts everyone at ease and allows them to just soak up the moment. A very big part of what made an amazing day. ”

Batch by night..

Batch Country House takes on a whole new lease of life in the evenings creating a photographers paradise.

Come rain or shine..

There is ample room inside the house if the British weather does its worst.

We have enough space to conduct all of your photography indoors-there are many attractive fireplaces and features within the building to only enhance your professional pictures.

A cosy lounge and large bar area becomes the hub of social activity where friends and family can relax and enjoy their experience here.

You're in good hands..

All of this has earned us an enviable reputation over the years. We have a team of longstanding staff, all of which are from the surrounding villages, with many local families having had several generations working here-helping us maintain our excellent levels of customer service.

Our food is all sourced locally and is of the highest quality-we prepare our menu in-house to retain complete control and ensure that it is always of the highest standard.

All our rooms are styled to offer spacious and comfortable accommodation. Most of the rooms have over bath showers with the addition of two luxury four poster rooms boasting walk in showers, Jacuzzi baths with in bath television screens and a cooler for your fizz!

We also have a well equipped disabled room fitted with a wet room.

Wake up refreshed..

From start to finish we aim to ensure that the newlyweds leave us with a host of happy memories, having experienced the wedding day of their dreams.

We hope to gain another happy customer and see them again for future family occasions.
